**"One of Australia's Best  
Country Gospel Bands"**  
Shayne Holstein  
Radio RHEMA

*Hailing from the Blue  
Mountains west of Sydney,  
The Peter Christie Band has  
established itself as one of the*

*countries leading Country  
Gospel bands.  
They minister primarily to  
churches in Rural areas but  
can also be seen doing their  
thing at Christian and Country  
Music festivals around the  
country. An act certainly worth  
catching.*
