

Any abuse reported to a worker/teacher, must be acted upon #helppeople

Kids should always feel safe with adults in all situations

You will be heard. You have a voice

All kids have the right to say their concerns to adults and if not taken seriously, they speak to another adult.

Kids from all places and all religions are welcome here

Respect everybody. We are all different #culturalequality

Kids safety and wellbeing is super important

Adults should be good role models, honest, respectful & fair

Everything matters! No matter how ridiculous it might seem

I need to feel safe when I am alone with an adult #mychoice

Equal opportunity for kids, no matter what their skills or abilities are.

Kids deserve to be heard #showusrespect

If you can't talk to someone at home, you can always talk to someone here

Kids from all cultures have a voice.
