

Children's Code of Conduct Rules

Stay out of my bubble! – Be aware of kid's personal space.

No means no.

No touching kids in a way that makes them feel uncomfortable or hurt.

No violence towards kids or in front of kids.

Workers and teachers don't contact me in my time and I won't contact you in your time!

Don't talk to kids like they're not important or make them feel inferior or embarrassed.

Don't have adult conversations in front of us.

No swearing at kids because it hurts our feelings

Don't be a Cyber-bully. Don't be mean to anyone on social media #keyboardtrolls

All bullying is WRONG. Don't do it EVER!

No one is allowed to photograph or record me without my permission.

Don't put us in a bad situation where we may be at risk of being hurt or scared.

Nobody can touch my private parts #mybodyismyown
