

We Will Be Jesus

Colonel Lani Chamness

INTRO

With His love sealed on our hearts
Covered in His holy dust
We will follow Jesus
Simply follow 'cos He calls

VERSE 1

Jesus worthy of our praise
it is only by Your grace
We stand in Your presence
Jesus truth life and the way
We will love You all our days
For with Your life the price You paid

CHORUS

We will be Jesus led by His spirit
We will be Jesus led by His spirit
We will be Jesus led by His spirit
Sharing His love revealing hope
To the world

VERSE 2

Spirit all consuming fire
It is You that we desire
Purify our hearts Lord
Spirit move our hearts of stone
And breathe life into our bones
Make us wholly Yours alone

BRIDGE

Holy is our war cry
Holy is our call
For His holy mission
We'll abandon it all
Abandon it all
Holy is our war cry
Holy is our call
For His holy mission
We'll surrender it all
For the sake of the call

BREAKDOWN

We will be Jesus
We will be Jesus
We will be Jesus
We will be Jesus
