

Session 2 - Appendix 1

WRITTEN EXERCISE - PARAPHRASE

Paraphrase these paragraphs

PARAGRAPH ONE:

No-one in this place is interested in the fact that we have less and less people coming to worship each week and it's just so difficult to get people motivated to follow up those who haven't been around for a while. In fact, I don't think they care!

PARAGRAPH TWO:

I've been leading a small group for five years now and I have really enjoyed it, but I think I'd like to try something else which will build on those skills I've already developed. I'm not sure if I'd like to try something totally new or do something more meaningful and creative with the small group I lead.

PARAGRAPH THREE:

I've been away at a school camp. Everyone had to take their own tent. There were lots of games and the group worked so well together on their projects. They were incredibly co-operative. It was such fun. Surprised me really!
