PERSONAL MISSION STATEMENTS

Here are some examples of Personal Mission Statements:

Example A:

To be a person of *Integrity* and *Influence* to my family and to those whom I come in contact with.

To be a person, who *loves* God, who strives to reflect true Christian lifestyle based on the teachings of Jesus Christ and who is totally guided by the Holy Spirit.

To be a person who will step out in faith from my own comfort zone.

To save the lost for Jesus by making it relevant to them.

To always strive to *encourage* them to grow in their faith and in their personal development.

To always look for *opportunities* to connect to the community so Christ can be shown in action.

“One Way For Jesus!”

Example B:

Through my personal experience of God’s love and forgiveness in my life, I desire to make this known to those God has placed into my circle of influence.

That in continually building on my relationship with God, holiness of life would be a dominant pursuit.

In looking beyond myself to others, I would encourage them to a life of holiness through the knowledge and gifts God has given me.

To raise the profile of Children’s Ministry in the life of the corps/church.

To build self-esteem into children.
