Weeks 8,9 & 10 : Loving Others

As a family decide on a kind and caring act that you could do for someone this week.

For example, make a card together, **cook a cake** together for someone else, pick or buy some flowers for someone, **invite someone** over for dinner or a coffee and **play-date**;

these are just a few suggestions, I am sure you can come up with plenty more. See if there is something that you can do for each of the three weeks.
