

# Paper Fight

## Preparation:

*Think of three or more questions (these can be taken from the small talk ice breaker questions)*

*Sheets of paper, one for each student*

## Instructions:

**Write the questions on the board.**

**Students must then write their answers on the pieces of paper.**

**Students then crumple the paper up into a ball and throw it at each other.**

**Let the fight continue as people pick up paper balls off the floor and throw them.**

**Yell stop and students must pick up a piece of paper and open it up.**

**Students then ask each other questions trying to find the owner of the paper.**

**Once they give the person their paper back, they can sit down.**
