- Teller Sure. Do you have your bank card with you?
- Sholeh I have my ATM card and my credit card. Which one do you need?
- Teller Any card is fine. Please swipe your card (pointing at the machine in front of you)
- Sholeh Okay. I'll use my ATM card (swiping the card onto the machine)
- Teller How much are you putting in today?
- Sholeh I have \$ 800 (hand over the money to the teller)
- Teller Sure! (taking the money, count it, put it away, type into the computer, then print a receipt)
- All done for you (giving the receipt to you). Anything else I can help you with today?
