Student Daytrip MetroTicket	\$5.40	

Validate your metroCARD

Your metroCARD has validated properly when you hear a 'beep' and see a green light.

How to validate your card

Simply touch your metroCARD on a validator as you board your bus, train or tram and when you enter or exit Adelaide, Salisbury and Noarlunga Railway Station.

The appropriate fare will be deducted on board your service, not at railway station gates. A beep and green light indicates a successful validation. The fare deducted will be displayed along with any remaining balance. In most cases you won't even need to take your card out of your purse or wallet.

If your card doesn't validate speak with the bus driver or an Adelaide Metro staff member. If your card balance is below the fare required you must buy a MetroTicket.
