Notification Key		
I Immediately after incident or awareness of incident	AC Assistant Chief	PRS Public Relations Secretary
8H Within 8 hours after incident or awareness of incident	ATC Assistant to the Chief	PC Project Coordinator
24H Within 24 hours of awareness of incident	CS Chief Secretary	MR Media Relations
48H Within 48 hours of awareness of incident	GC General Counsel	Q&S Quality and Safeguarding
D At the discretion of the last person notified in the management structure	HoD Head of Department	SGM Manager Safeguarding Policy and Practice
+ Additional notification not within direct line management structure	HR Human Resource	SPT Secretary to the Property Trusts (Governance and Risk)
Where a service does not operate 24/7, initial notification needs to be completed within that shift, typically within the hours of 8am or 6pm	PL Portfolio Leader	WHS Work Health & Safety
	PO Privacy Officer	

Mandatory Notification Rules	
SGM	Additional notification to Manager Safeguarding Policy and Practice on child related incidents.
WHS	Notification to WHS if there's injury/ hospitalisation/ death of TSA personnel and/or client/participant/ community member.
HR/OP/VR	Notification to HR/ Officer Personnel/ Volunteer is required if there's breaches of code of conduct by TSA personnel.
MR	Notification to Media Relations is require if the incident has the potential to attract external media attention.

Explanation of Notification Rule	
<p>Example:</p> <p>(I) PC → (I) HoD</p> <p>+ PC → (8) SGM</p> <p>+ HoD → (D) MR</p>	<ol style="list-style-type: none"> 1. Notify Project Coordinator immediately. 2. Project Coordinator to notify Head SAID immediately. 3. Project Coordinator to notify Manager Safeguarding Policy and Practice in 8 hours (child related incident). 4. At the discretion of Head SAID, to notify Head of Department.

Category	Term	Description & Example	Notification
	Client/participant behavior	Incidents related to participants, community members, residence, tenants, job seekers, customers, beneficiaries and supporters behaviours.	
Category 1	Assault-Physical (Hospital admission)	<p>Actions or attempted actions, that involve the use of physical force against a person that result in or have the potential to cause severe harm that results in hospital admission for treatment (e.g. a serious illness, injury or condition that requires immediate treatment within hospital as an inpatient in that hospital)</p> <p>For example: Hospital admission includes inpatient admission to a ward/unit; admissions for treatment or surgery. This would exclude an Emergency Department attendance for treatment; an assessment within hospital; assessment/treatment by ambulance service with or without transport to Emergency Department</p>	(I) PC → (I) HoD + PC → (I) SGM (child related) + PC → (I) HoD Q&S
Category 1	Misuse of drugs, alcohol and other substances (Hospital admission)	<p>Possible/actual overdose that results in loss of consciousness or that is life-threatening that results in hospital admission for treatment (e.g. a serious illness, injury or condition that requires immediate treatment within hospital as an inpatient in that hospital)</p> <p>For example: Hospital admission includes inpatient admission to a ward/unit; admissions for treatment or surgery. This would exclude an Emergency Department attendance for treatment; an assessment within hospital or assessment/treatment by ambulance service with or without transport to Emergency Department</p>	(I) PC → (I) HoD + PC → (I) SGM (child related) + PC → (I) HoD Q&S
Category 1	Assault-Sexual	<p>Any sexual contact that is an offence under the criminal statutes of a state, territory or the Commonwealth that involves actions or attempted actions of a sexual nature of or by a client that are unlawful and have caused or have the realistic potential to cause serious harm.</p> <p>It includes but is not restricted to child sexual abuse, rape, aggravated sexual assault, indecent sexual assault, engaging in conduct with the intention of making it easier to procure the client to engage in sexual contact or conduct (i.e. grooming), sexual exploitation.</p> <p>Child sexual abuse Child sexual abuse is the exposure to or involvement of a child in any sexual activity by an adult. Sexual abuse can also include the engagement of a child in sexual activity by another child, who by the nature or their age of development has greater power. Child sexual abuse includes but is not limited to fondling genitals, masturbation, oral sex, vaginal or anal penetration by a penis, finger or any other object, fondling of breasts, voyeurism, exhibitionism and exposing a child to pornography or child-abuse material.</p> <p>Image-based abuse occurs when someone creates, possesses or shares intimate imagery of a child. It amounts to a crime which must be reported because it is considered child abuse material if the image shows a child:</p> <ul style="list-style-type: none"> ▪ With their genital, anal or breast areas being focused on in the image, or which are uncovered; ▪ Doing something personal such as sexual activity, showering or using a toilet etc.; ▪ In a digitally altered/ 'deep-fake' type format which would be considered intimate. 	(I) PC → (I) HoD + PC → (I) SGM (child related) + PC → (I) HoD Q&S

Category	Term	Description & Example	Notification
		Note: Safeguarding Consultants should be advised of alleged or actual incidents of child abuse, including child sexual abuse. Safeguarding Consultants are based at each divisional office and are available to all mission expressions for consultation and advice on child safeguarding matters.	
Category 1	Self-harming behaviour (Hospital admission)	Actions that intentionally cause severe harm or injury to self without wanting to die (e.g. significant cutting of self, intentional overdose) that results in hospital admission for treatment (e.g. a serious illness, injury or condition that requires immediate treatment within hospital as an inpatient in that hospital) For example: Hospital admission includes inpatient admission to a ward/unit; admissions for treatment or surgery. This would exclude an Emergency Department attendance for treatment; an assessment within hospital or assessment/treatment by ambulance service with or without transport to Emergency Department	(I) PC → (24H) HoD
Category 1	Suicide ideation/thought/actions (Hospital admission)	Planning, direct threats or thoughts of serving as an agent of one's own death or engaging in suicide-related behavior that results in hospital admission for treatment (e.g. a serious illness, injury or condition that requires immediate treatment within hospital as an inpatient in that hospital) For example: Hospital admission includes inpatient admission to a ward/unit; admissions for treatment or surgery. This would exclude an Emergency Department attendance for treatment; an assessment within hospital or assessment/treatment by ambulance service with or without transport to Emergency Department	(I) PC → (24H) HoD

	Illness/outbreak	The fact or experience of being unwell in mind, body or spirit. Note: Reported when the client is in a care/support relationship with TSA.	
Category 1	Notifiable infectious or communicable disease/illness (With or without hospital admission)	Where a client/s or community member/s engaged with a TSA Corps/Service/Program has received confirmation by a medical practitioner that they have an infectious or communicable disease that requires mandatory report to state/territory and/or federal health departments. For example: measles, polio, hepatitis, coronavirus.	(I) PC → (I) HoD
Category 1	Outbreak (Multiple people with similar illness)	When there are two or more linked cases of the same infectious agent or disease.	(I) PC → (I) HoD

Category	Term	Description & Example	Notification
	Injury	Hurt, damage or loss sustained to a person's body. Note: Reported when the client is in a care/support relationship with TSA	
Category 1	Injury (Hospital admission)	An injury for which a person is admitted to hospital for treatment (e.g. admission to an inpatient unit/ward; admission for treatment or surgery). For example: Hospital admission includes inpatient admission to a ward/unit; admissions for treatment or surgery. This would exclude an Emergency Department attendance for treatment; an assessment within hospital; assessment/treatment by ambulance service with or without transport to Emergency Department Examples include: <ul style="list-style-type: none"> ▪ a pattern of unexplained and/or concerning injuries ▪ burns ▪ concussion ▪ crushing ▪ internal injuries ▪ lacerations ▪ severe shock ▪ severe cuts requiring stitches ▪ fractures 	(I) PC → (24H) HoD
Category 2	Injury (Medical attention)	As per category 1 description that requires medical attention that may be provided by hospital emergency department, ambulance, an unplanned GP/health centre visit, crisis assessment team	(I) PC → (24H) HoD
	Missing Person	A client is unexpectedly absent from the service or absent without authorisation/approval/knowledge and there are concerns for their safety. Note: Unexplained/unplanned or unexpected absences may require statutory and/or regulatory reporting in specific programs or circumstances	
Category 1	Child/ young person missing from service/activity, location unknown, fear for safety and wellbeing (<18)	Refers to where TSA has 'in loco parentis' responsibility for the care and supervision of a child or young person while they are in our care, or where a child/young person requires monitoring and supervision while they are in our care due to their specific needs or abilities. Child/young person goes missing from a service/program without explanation and the service is unaware of any reason/s for the absence and holds fears for safety and wellbeing of the child/young person. Fear for the safety and wellbeing of child/young people may be due to: <ul style="list-style-type: none"> ▪ Child or young person's age, ▪ Individual capacity and abilities ▪ Current mental health status ▪ Current use and/or access to drugs, alcohol, and other substances ▪ Child or young person known to be in the presence or care of a person/s who may pose a risk to them For example: <ul style="list-style-type: none"> ▪ A young child goes missing from a camp or organised activity and cannot be located after thorough search ▪ A child or young person leaves a program without the knowledge of personnel who fear for their safety/wellbeing due to their intellectual disability and engagement in high risk activities 	(I) PC → (24H) HoD + PC → (I) SGM (child related) + PC → (I) HoD Q&S

Category	Term	Description & Example	Notification
		<ul style="list-style-type: none"> The location of the child/young person is unknown and TSA has no contact and fear for their safety/wellbeing due to their current mental state and access to illicit substances Child/young person missing from placement and location unknown and personnel have no contact and fear for their safety. <p>Note: Statutory and/or regulatory reporting may be required</p>	
Category 2	Unexplained or absconding-more than 24 hours (>18years)	A client whose absence is unexplained but due to age, behaviours, individual capacity, communication skills, current mental health status, vulnerabilities, any previous history of client missing or absconding, parental/guardianship issues and arrangements is deemed as not an immediate risk of harm but may lead to harm if duration of absence continues. 	Personal information	<p>Personal information is information or an opinion about an identified individual, or an individual who is reasonably identifiable, whether the information or opinion is true or not; and whether the information or opinion is recorded in a material form or not.</p> <p>Such information should always be managed in accordance with privacy legislation and TSA's privacy policy.</p>	
Category 1	Unauthorised access or modification	<p>Unauthorised access occurs when personal information held by TSA is accessed without consent of the individual and not otherwise authorised by law. This may include TSA Personnel, an independent contractor or an external third party.</p> <p>Unauthorised modification occurs when personal information that TSA holds is altered by someone who is not permitted to do so or is altered in a way that is not permitted by privacy legislation or the TSA privacy policy.</p>	(I) PC → (24H) HoD
Category 1	Unauthorised use or disclosure	<p>Personal information is shared within TSA (use) or outside TSA (disclosure) beyond the purpose for which it was collected, without consent of the individual and not otherwise authorised by law. Unauthorised disclosure may be either intentional or non-intentional.</p> <p>Examples may include, but are not limited to:</p> <ul style="list-style-type: none"> Disclosure by TSA personnel of papers/files/Universal Serial Bus (USB) devices containing information Use of personal information by TSA personnel for a purpose other than the provision of services Release of personal information from TSA's effective control making it accessible or visible to others outside in a way that is not permitted by the Privacy Act 1988 <p>Posting another individual's personal information on social media</p>	
Category 1	Loss or theft	Papers/files/physical devices (such as laptops and storage devices) containing personal information are lost or stolen.	
Category 2	Non-compliant collection or storage	<p>Personal information collected including through third parties without the individual's consent and not otherwise authorised by law.</p> <p>Storage of personal information in unsecured manner where non-authorized persons can easily gain access.</p>	(I) PC → (24H) HoD
Category 2	Unauthorised/inappropriate use of images	<p>The use of an individual's image in a photograph, fiPC or video without consent of the individual and not otherwise authorised by law; use of identifying information in relation to an image of an individual (e.g. recording name, address, location and other whereabouts in connection to an image).</p> <p>For example: in TSA publications, website pages, media campaigns.</p>	

Category	Term	Description & Example	Notification
	Transnational crime	Offence that transcends national boundaries and directly or indirectly affect more than one country. (Risk item #4 of the SAID Risk Register)	
Category 1	Human trafficking	Human trafficking, slavery and slavery-like practices such as servitude, forced labour and forced marriage are complex crimes and a major violation of human rights. Around the world men, women and children are trafficked for a wide range of exploitative purposes, such as: <ul style="list-style-type: none"> ▪ Servitude; ▪ Slavery; ▪ Forced labour; ▪ Debt Bondage; ▪ Forced marriage; ▪ Organ harvesting. 	(I) PC → (I) HoD + PC → (I) SGM (child related) + PC → (I) HoD Q&S
Category 1	Terrorist activity	Any financial, political or emotional support is provided to any individual or organisation known to be involved with terrorism or a terrorist group.	(I) PC → (I) HoD
Category 1	Terrorism/exploitation financing	Intentionally providing or collecting funds and being reckless as to whether those funds would be used to facilitate or engage in a terrorist act or exploitation activities. .	(I) PC → (I) HoD
	Family & Domestic Violence; Child Abuse	Family and domestic violence occurs when someone tries to control their partner or other family members in ways that intimidate or oppress them. Controlling behaviours can include threats, humiliation ('put downs'), emotional abuse, physical assault, sexual abuse, financial exploitation and social isolations, such as not allowing contact with family or friends; AND/OR conduct, whether actual or threatened, by a person towards, or towards the property of, a member of the person's family that causes that or any other member of the person's family to fear for, or to be apprehensive about, his or her personal well-being or safety. Note: Be aware of your state/territory Information Sharing legislation and/or regulations. Child abuse relates to a reasonable suspicion or belief that a child abuse has or is occurring to or involving (includes child/ren exposed to family violence) a client of TSA or to a member of the community not engaged with TSA, AND where the incident is not a result of a failure in TSA processes or care and does not involve a member of TSA as the alleged person. TSA has mandatory legislative reporting requirements in response to suspected, alleged or actual child abuse. Note: Physical and sexual assault in the context of family violence and child abuse are criminal actions. Note: Child abuse and/or a child's exposure to family violence is a reportable incident under state/territory mandatory reporting and/or child protection legislation.	
Category 3	Impact of family violence	For example, client discloses incident of family domestic violence; past family violence but client holds fear of perpetrator due to recent incidents; client discloses ex-partners breach of intervention order in context of attending client's residents, harassment, stalking etc. Note: Child abuse and/or a child's exposure to family violence is a reportable incident under state/territory mandatory reporting and/or child protection legislation	(I) PC → (I) HoD + PC → (I) SGM + PC → (I) HoD Q&S

Category	Term	Description & Example	Notification
Category 3	Child abuse or abuse of unborn child	<p>Statutory/ regulatory reporting of a disclosure, reasonable suspicion or evidence of abuse/neglect of a child who is engaged with TSA and where the incident is not a result of a failure in TSA processes or care</p> <p>Child abuse is any act that causes harm to a child and is carried out by someone they know and trust, such as a family member or friend. The abuse may be physical, sexual, psychological and can include mistreatment and neglect.</p> <p>For example. A TSA worker has reasonable belief that child abuse or neglect is or has occurred based on the disclosure of abuse by a family member or child made during a home visit; the condition of the living environment of children in a client's home (i.e. suspect neglect)</p>	(I) PC → (I) HoD + PC → (I) SGM + PC → (I) HoD Q&S
Category 3	Impact of family violence (Non-TSA)	Mandatory legislative reporting of a child's exposure to family violence involving a member of the community who is not engaged with TSA and is not receiving existing support provision or care/case plan.	(I) PC → (I) HoD + PC → (I) SGM + PC → (I) HoD Q&S
Category 3	Child abuse or abuse of unborn child (Non-TSA)	Mandatory legislative reporting of child abuse involving a member of the community who is not engaged with TSA and is not receiving existing support provision or care/case plan.	(I) PC → (I) HoD + PC → (I) SGM + PC → (I) HoD Q&S
	Failure to Report/remove risk	Following review of an incident, it is identified that mandatory legislative and/or regulatory reporting has not occurred in response to the incident.	
Category 1	Mandatory reporting failure	<p>Legislative and/or regulatory reporting has not occurred in response to a client incident. Failure to report identified following report of a client incident. Identification of a failure to comply with reporting requirements will necessitate a new incident report under this categorisation.</p> <p>For example: statutory child protection reports, mandatory child abuse reports to police, regulatory notifications</p>	(I) PC → (I) HoD + PC → (I) HoD Q&S
Category 1	Failure to reduce/remove risk	<p>Refers to the inaction of a member of personnel in a position of authority (e.g., Corps Officer, team leader, line manager, state manager, Head of Department etc.) where a risk of a serious offence has been or is likely to be committed against a child or vulnerable adult, and that member of personnel:</p> <ul style="list-style-type: none"> ▪ Knows the risk exists, and ▪ Recklessly or negligently fails to reduce or remove the risk 	(I) PC → (I) HoD + PC → (I) HoD Q&S
