

QR CODE GUIDE

Assist the donor to scan the QR Code from their smart phone by following these steps

STEP 1

Open camera and ensure QR code is visible on the phone's screen.

STEP 2

A web link will pop up on the donors phone. Tap the link to open up a donation form.

STEP 3

If required, assist the donor to:
Select donation amount
Input their personal details
Input their payment details

NOTE

There is no need to provide a receipt, as this is automatically sent direct to the donors email address.
