

Refugee Week

Activity planning guide

Refugee Week is an annual event that celebrates the rich diversity and valuable contribution refugees make to Australian society. It helps to create a culture of welcome throughout the country.

Here are two simple steps to take when planning your Refugee Week activity.

Step 1 - Define the goal of the activity

For example:

- Educate people about who refugees are and why they have come to Australia
- Help people understand the challenges refugees face in coming to and/or resettling in Australia
- Celebrate the contribution refugees make to the community
- Do something positive for people seeking asylum and refugee status in Australia and/or around the world

Step 2 - Choose an activity

For example:

- Pray for refugees and people seeking asylum
- Organise a small group discussion or Bible study on the topic of refugees and people seeking asylum
- Organise a worship service around the Refugee Week theme
- Host an event to celebrate the diversity and contribution of people seeking asylum and refugees

Please ensure that your activity complies with the latest COVID-19 rules and guidelines.
