

# People Seeking Asylum (Asylum Seeker) – Specialist Agencies

(Up to date as per April 2025)

## NATIONAL

- **[Services Directory](#) – Refugee Council of Australia**
  - RCOA list organisations in each State and Territory that provide services to people seeking asylum and refugees. The services categories include material aid, health, financial, legal, housing, English classes, employment, education and training, social activities, children and families and young people. This list may be out to date so please check with the organisation if they still provide the support.
- **Emergency Relief and Casework Support**
  - **Australian Red Cross** – provide some emergency relief and casework support to people seeking asylum. Their services may differ in each state and territory. You should first [contact the office closest to you](#) who will assess how they might be able to help. When calling, ask for the migration support program Limited capacity. For more information go to [Support for asylum seekers in Australia | Australian Red Cross](#).
