

Ribbon & Bead Necklace

Items required (see picture for suggestions)

Ribbon: small roll approx. 4m long - 10mm wide

Beads: approximately 30 beads wooden or glass

Wool needle

1. Cut ribbon to 400cm, necklace is approx. 100cm in length
2. Thread ribbon with wool needle and double length of ribbon
3. Measure 100cm from ends of ribbon and tie a knot
4. Thread bead, push down to first knot and tie another knot. By wrapping ribbon around your finger and threading the needle through the loop. Pull firmly so knot is against the bead. See picture
5. Repeat until desired length (approx. 100cm from end)
6. Tie off the last knot. Cut ribbon (needle end)
7. Tie ribbons off using in either a knot or bow (Martha Stewarts favourite bow)
8. Neaten ends and finish with clear nail polish to prevent fraying.

Beads and ribbon in the demonstration necklace was made from goods purchased from GoLo store at a cost of \$6.

Specialist craft stores will have better quality beads at a higher price.
