Risen

The events of Easter proclaim to every generation "**there's hope**".
We recognise **GOD'S ABUNDANT BLESSINGS** when we look at His Sacrifice
of his son Jesus on the cross.
The cross, while cruel and torturous, reveals how much God loves you and provides to you and me our salvations.
The empty tomb reveals God's power to bring **new life and hope**.

We live in a world of uncertainty. Life can be tough.
This Easter remind yourself of God's eternal love for you.

God understands your situation and your needs and His message for you this Easter is "**there's Hope**."

No suffering, no pain, no depression, no hardship that you may be experiencing is beyond His capacity to bring redemption by His saving grace.
He loves you—He showed it on the cross.
