

# How you can use your magazines:

## OUTREACH

The magazines can be used as conversation starters and a great way to open doors towards a faith journey for kids and their parents. Label each copy you receive with your information, location etc. and place somewhere it will be seen or include a copy in information packs you may hand out. The label can then direct readers to your service for further information or another Army service or program.

## CONGREGATION/ WELCOME GIFT

When the magazines arrive, encourage people to take a copy or include in packs you may give to visitors, regular attendees and/or clients. Let people know it is a free resource you are providing. Point out specific articles that might be of particular interest to your people.

## RELIGIOUS EDUCATION

The use of *Kidzone* in RE programs can help engage the children unfamiliar with church through the use of pop culture.

*\*Please ensure use of Kidzone material has been authorised by your provider. You are required to abide by the curriculum.*

## PERSONAL GIFT/ SUBSCRIPTION

*Kidzone* is an engaging gift for a child, a great way of connecting with families, a great way to start a conversation, a nice gift for grandparents to have on hand when a child visits.

## MINISTRY TOOL

Run a *Kidzone* kids church or club. It's super easy! The leaders' guide provides an entire kids curriculum using *Kidzone*. It's designed in a way that volunteers and ministry leaders can work through the program with ease.

Grab your *Kidzone* magazines and download the leaders' guide and you're all set!

Our *Kidzone* team are on hand and happy to assist with further ideas to help you get the most out of the mag.

## SALVOS

Help, hope and encouragement from a Christian perspective

### PERSPECTIVE

The focus on a non-Salvos audience can help readers to engage with Christian content in a relevant and everyday way.

### MINISTRY

Stories in the magazine can be used as conversation starters and a source of thought-provoking questions – a great way to open doors towards a faith journey for friends, family and neighbours.

The QR codes also provide ways readers can find and connect with their local Salvos.

### SUPPORT

Through QR codes, the magazine provides links to Salvation Army services in family and domestic violence, homelessness, alcohol and other drugs, mental health, youth and more.

The website also features additional articles on these topics to engage readers with specific needs and interests.

The *Salvos Magazine* team is on hand and happy to assist with further ideas to help you and your community get the most from the magazine.
