

# Christ's Cosmic Victory

---

**1.** If your group is ready for this, you might begin this session with some praise. Praise the Lord Jesus Christ for his cosmic victory won on the cross and demonstrated with his resurrection.

Just stay with Jesus. Don't wander and pray to the Father this time. Focus. Concentrate on Jesus the victor. Let every prayer stay with Jesus and the one theme of his hard-won victory.

*Leader:* Lets first of all close our eyes and think about Christ's cosmic victory. Picture the scenes perhaps. (Allow one minute.)

*Leader:* Now let's praise him with short prayers of praise.

**2.** Was there anything in the talk which struck you or speaks to you?

**3.** Do you think Jesus was aware of the cosmic struggle?

**4.** Do you think Christians today are sufficiently aware of the four enemies which oppose the kingdom of God?

**5.** *'Because of Christ's victory, Christians may walk free from domination by the 'world', the sinful nature, the devil and death.'*

- Do you think that is true?
- How can it show up in a person's life?

**6.** *'D-Day settled Adolf Hitler's fate. The final victory was not yet won, but it was guaranteed. It is similar with Jesus and the cross. His victory settled the fate of the four enemies. They still rage today. But one day they will all be eliminated.'*

How does that make you feel?

**7.** In light of this session and the one on The Atonement, do you think we give enough attention to the cross of Christ in our lives and in our corps life?
