

Personality Quiz

Preparation:

None

Instructions

Put students into pairs or groups. Tell each student to write down their three favorite animals.

**Groups or pairs then brainstorm POSITIVE adjectives for each animal.
(example: dogs – loyal, friendly, energetic, etc.)**

After the groups and pairs finish tell the students that:

- Their first animal and its adjectives are how they see themselves
- Their second animal and its adjectives are how other people see them
- Their third animal and its adjectives are how they really are
