

# Love Never Ending

Dan Casey | Luke O'Dea  
(Based on recording by Revolution Worship)

**KEY - F | TEMPO - 130 | TIME - 4/4**

## INTRO

**F                      G Dm                      C Bb                      C Dm                      Bb**

## VERSE 1

**F                                      G                      Dm**  
Mighty God the name above

**C                      Bb**  
With all power, with all love

**C                      Dm                                      Bb**  
You always have been, my God You always will be

**F                                      G                      Dm**  
Lighting up the darkest night

**C                      Bb**  
A living fire, burning bright

**C                      Dm                                      Am**  
You always have been, my God it always will be

## PRE-CHORUS

**Bb                                      C                                      Dm                                      Am**  
Not what we do, but who You are, a Mighty Saviour

**Bb                                      C                                      Dm                                      Bb**  
Who gave it all, upon the cross, so we will sing that

## CHORUS

**F**                      **Gm**    **Dm**  
You, are King above it all

**C**                      **Bb**                      **C**  
With power and with Love never ending

**Dm**                      **Bb**  
Love never ending

**F**                      **G**    **Dm**  
You, are reign above it all

**C**                      **Bb**                      **C**  
With power and with Love never ending

(1.)    **Dm**                      **Bb**                      (to V2)  
Love never ending

(2.)    **Dm**                      **C**                      (to Bridge)  
Love never ending

## VERSE 2

**F**    **G**                      **Dm**  
Oh how endless is Your love

**C**                      **Bb**  
Always reaching out for us

**C**                      **Dm**    **Am**  
And You always have been, my God it always will be

## BRIDGE

**Bb** You are God above it **F** In the darkest moment

**Dm** **C**  
Yea we turn out eyes to You

<b>Gm</b>	<b>Bb</b>
Name above all others	God we sing Your praises

**Dm** Yea we give it all to You **C** Cos we believe its

## PRE-CHORUS 2

**Bb**                      **C**                      **Dm**                      **Am**  
Not what we do, but who You are,                      a Mighty Saviour

**Bb**                      **C**                      **Dm**                      **Am**  
Who gave it all, upon the cross,                      so we will sing it's

**Bb**                      **C**                      **Dm**                      **Am**  
Not what we do, but who You are,                      a Mighty Saviour

**Bb**                      **C**                      **Dm**                      **Bb**  
Who gave it all, upon the cross,                      so we will sing that
