

Sing Your Praise

Revolution Worship
Words & Music by Dan Casey | Luke O'Dea

Verse 1

We will sing of Your love, Your faithfulness The creator of all no one compares

When the battle surrounds Your our defence We believe in Your word
Your promises

Chorus

Oh we stand before You Jesus We sing Your praise
Lift our eyes to You and worship Your Holy name
Through the fire in the storm You are King above it all
Oh no matter what we face
We sing Your praise

Verse 2

This is not just a song, not a routine This is me standing here, an offering
When I didn't deserve it You died for me Now we live in Your grace, Your victory

Bridge 1a

All Honour, all power, all glory to You Lord
Your faithful, forever, I need You more and more All Honour, all power, all glory to You Lord
No Matter the season, Your faithfulness endures

Bridge 1b

All Honour, all power, all glory to You Lord You're God and forever You will reign
