Revolution Worship  
Words & music by Dan Casey | Luke O'Dea

## Verse 1

The author of all life  
Our God eternal light  
You spoke Your glory on display Throughout all history  
You've shown Your majesty  
Yours is the name above all names

## Pre-Chorus

Here I surrender again  
It all comes back to  
This simple cry of my heart

## Chorus

You are worthy of all praise  
And forever God You reign  
All the power and glory God is Yours You are worthy Lord

## Verse 2

I've seen what You can do  
You speak and mountains move  
So I will trust in You again  
And should the darkness rise  
To You I'll lift my eyes  
I'll choose to praise Your holy name

## Bridge

I take my crown lay it at Your feet  
All power is Yours who holds the victory With all creation my heart will  
sing  
Holy is the King
