# Instructions: Red Shield Appeal Assembly Presentations

**Find the script:** In the 'Presenter Notes' section of the PowerPoint Presentation. See bottom right icon with 3 horizontal lines and an arrow.

**Before the Presentation:**

1. Read through the script and customise as appropriate to your local setting
2. Add details about the local work of your Salvation Army Expression. Add photos and prepare to discuss the use of Red Shield Appeal funds locally
3. Check the video links work
4. Save to laptop and USB

**On the Day:**

- Connect to internet at school. Either hotspot data from your mobile phone or connect to school wifi
- Load the videos on YouTube in advance. This means if the in-presentation viewing of videos fails, you can access the pre-loaded videos on YouTube
