

Fun, faith, life-skills and adventure

SAGALA helps develop skills, resilience, friendships and knowledge of Jesus through activities including:

- Sport, craft, cooking, camping
- First aid awareness
- Community projects

SAGALA is a life-skills, award-based program for young people aged 5-17 that supports children to:

- Feel equipped for life
- Reach their full potential
- Know they are valued
- Explore and grow in their faith and understanding of Jesus

The Salvation Army is a child safe organisation, and we welcome everyone to join us at SAGALA.
