it happen

2023 - 2024

# Mission in the Solomon Islands

This year's Making it Happen project will support The Salvation Army's work in the Solomon Islands.

Together, we aim to raise \$120,000 to build and furnish a home for a new corps officer couple.

The house would not only be a home for the officers but a missional hub and space for service to the wider community.

To get involved or for more information, visit: [my.salvos.org.au/making-it-happen](https://my.salvos.org.au/making-it-happen)
