

You can be the hope people need this Christmas

Every 17 seconds, someone turns to The Salvation Army for help.

Christmas can be a joyful time, but for people facing hardship, it can also bring added stress and pressure. With the cost of living continuing to rise, many are struggling to afford everyday essentials, gifts for their families or get the support they need.

This Christmas, we expect more people to need help. With your support, The Salvos can provide hope and practical support to people facing hardship.

How you can help

Host a Salvos Giving Table

Bring generosity to the table. When you host a Salvos Giving Table, you can help provide meals for someone in need — every $10 raised helps fill another plate. You'll also receive a free host kit to help you get started.
Bring generosity to the table this Christmas.

Fundraise for Christmas Hope

Create an online fundraising page and collect gifts from your family, friends and colleagues this Christmas. Your fundraising can help provide **a hot meal, a gift for a child or even shelter for a night.**

Organise a Food or Gift Drive

Bring your school, workplace or community group together to share the festive spirit. Organise a food or gift drive and **help provide essentials** to a family doing it tough this Christmas.

Donate

Your generosity can help provide a way out of hardship and a way towards hope for people struggling this Christmas. Speak to your Salvation Army representative about how to donate today.
