Template: Following up RSA invitations that were sent to schools in October/November

Dear [CONTACT NAME],

Welcome back to the 2024 school year. We sincerely wish you and your entire school community the best for the year ahead.

I write to reaffirm [SALVOS NAME] support to you this year. We welcome your contact and any enquiries for support to families, your school or for broader community engagement endeavours.

I am also following up regarding your school's participation in the Red Shield Appeal in this year. Late last year, we wrote to you inviting [SCHOOL NAME] to participate in the Red Shield Appeal. Is this something your school would be interested in? Involvement typically occurs in Term 2, but we can support your school to engage at any point within the year.

If you would like to discuss Red Shield Appeal opportunities further, I am happy to meet with you or continue the discussion via the phone or email.

Thank you sincerely for your consideration. Please contact us at anytime if we can otherwise support your school community.

Sincerely,

[RANK, NAME]
