

# QUEST 850C GUIDE

## STEP 1

To turn on press the large 'Power' button for a few seconds. Once display turns on, release the button and allow 1-2 minutes for terminal to load and connect to a network.

## STEP 2

Choose from pre-set donation amounts or a custom donation amount by tapping on the corresponding icon on the screen

## STEP 3

Present the card to the screen and listen for a beep

## STEP 4

A confirmation screen will appear and you can go back to the main screen

## STEP 5

If the donor would like a receipt, please provide one using the paper receipt book or web app.
