

RED SHIELD APPEAL

Did you know the Salvos have been helping people in need for more than 140 years? And that the Red Shield Appeal has been going for 60 years? This appeal, which happens every May, raises money to help people who may need somewhere to live or who need food and clothes. The Salvos are able to help thousands and thousands of people every year because of the money raised by the community through the Red Shield Appeal.

The Salvos are always there to help people in need – but they need help from us to do that! Raising money for the Red Shield Appeal using your very own moneybox is one way we can help.
