

THE  
**good**  
NEWS OF EASTER

## **CELEBRATE EASTER WITH THE SALVOS AND YOUR COMMUNITY**

Life can be full of challenges, but the good news of Easter is that Jesus loves us and understands our troubles. Jesus died and came back to life so that we could experience hope, peace, everlasting life and victory over all sadness.

We invite you to explore the meaning of Easter with your local Salvos. Join others in your community for a time of reflection and celebration.

*"But thanks be to God! He gives us the victory through our Lord Jesus Christ."*
