

Rudolph had a shiny nose,
that glowed all Christmas night,
he helped the others find their way
by shining big and bright.
Jesus is our brightest light,
He shines in me and you,
so let His love glow from your heart
in all you say and do.
When someone's sad or left alone,
or things just don't seem right,
be kind, be brave, share Jesus' love,
and shine for Him so bright! ✨
