

THE LIGHT HAS COME!

Decorating ideas

This document contains inspiration and ideas for decorating your space in a way that reflects this year's graphics and theme, *'The Light has Come'*.

Nativity shadow box

Set up a silhouette nativity scene in cardboard or plywood. Place a battery-operated light source behind the scene.

Ornaments and decals

Using the weekly theme icons, create Christmas tree ornaments or print out large hanging ornaments for your entryway or meeting room. Themed graphics can be found via the [Brand guide snapshot](#) or silhouettes of weekly icons can be [downloaded here](#).

Alternatively, decorate using paper lanterns. To access lantern templates that uses this year's icons, [click here](#). For a DIY example, [click here](#).

Kids' activity

Buy a bulk pack of small paper party bags and cut or stamp shapes out of the sides of the bags. Once decorated with cut-outs, place a battery-operated tea light inside to create a lantern.

General tips

1. Decorate your area with soft, golden Christmas lights and battery-operated candles. They will look warm and striking and help build excitement.
2. Use cardboard and paper materials. This will align with the design style of the series graphics
3. Embrace a minimalist approach
