

**Salvos
Schools**

Educational workshops – Primary school

Community and caring

(Early childhood – Year 4)

Inspire students to see the difference they can make through kindness, empathy and inclusion. Through interactive activities and discussion, students will explore how communities are strengthened when people support, encourage and care for one another.

Leaders of change

(Years 5 and 6)

Empower students to be changemakers by leading a meaningful social impact project that strengthens their community while building leadership, teamwork and problem-solving skills.

The Salvos' response

(Years 5 and 6)

Discover how The Salvation Army responds to social injustice across Australia and be encouraged to take action, show compassion and create positive change in their communities.

Homelessness

(Years 5 and 6)

Explore the realities of homelessness in Australia in a safe and informative way. Students will discover how The Salvation Army is responding and ways they can help make a difference.
