2. Print page 4 “What is a Good Turn” and give to the member and explain what a Good Turn is and that they have to do one each day for a week. Explain to the parents/guardians that the member has to complete the diary for one week and that they need to sign when the member has completed the task.
3. Once the member has met all the requirements for their MEGA Star print off page 9-10. Complete the SAGALA Badge Coupon (to receive their MEGA Star, certificate and letter). # What is a Good Turn

A good turn is something that you do for another person without you being asked or paid. Often a good turn is something small like picking up a dropped bag, welcoming a new student; or larger acts that help the community like cleaning up litter from a park. A good turn should also be something that is needed. Try doing a good turn every day for one week.

You need to keep a log of your *Good Turns* by filling in the chart below and get it signed by your parents or guardians and bring it back after one week.

## Understanding the SAGALA Pledge

To become a SAGALA member we make a pledge as a way of identifying with SAGALA and other SAGALA members. A pledge is an important promise that we really mean to keep. The Bible says it is better not to make a promise than to make one and break it (Ecclesiastes 5:5).

There are, of course, occasions when we make mistakes. We don't break our promise intentionally, but fail to do our best to keep our promise. Don't be disappointed should this occur, instead, be determined to do better in the future. The beginning of the pledge is like a prayer that asks God's help to keep the pledge. God is honoured above all else in SAGALA and by its members as One who loves us and is willing to help us.

There are four points in the SAGALA pledge that we promise to keep:

### **1. Love and serve God and my country**

This point recognises our response to God's love and care for us. It's easy to love God when we consider all that He has done and provided for us – a beautiful world; a country that enjoys freedom; people who love and care for us. This first point refers to Australia and a desire to make it an even better place. We can serve God by serving our country; remembering that a country is only as good as its citizens.

### **2. Be a friend to all**

The second point of the pledge indicates a way to serve God and country – be friend to all. This includes offering friendship to everyone not just people we like. Friendship is shown in simple tasks but may require us to go out of our way to be friendly to others.

### **3. Respect my leaders**

Teachers, coaches, SAGALA leaders and even parents are given responsibility to instruct and protect you. Some of these people do this voluntarily; most do it because they want the best for you and want to see you succeed. To help them do their work well SAGALA members promise to respect leaders. Respect suggests we do as they ask, are helpful, use good manners, support leaders and if you disagree with them you talk to them in a polite and adult manner.

### **4. Keep our law**

You are getting to the age where you do not like being given rules or laws. But if we make the effort to keep our law, we find it helps us to grow into a person who is prepared to stand up for what is right.
