NAME GRID

WORKS BEST

Older Children or Youth.

NEEDS

Each group needs paper and pens.

HOW TO

Divide into groups of four. Each group needs paper and pens. Ask them to draw a grid on which they write their four names. For example,

S I M O N | W E N D Y | R O B E R T | A N N E

Give each team three minutes to write down as many words (three letters or more) that they can make only using the letters in their names. Letters must adjoin each other in the grid, but do not have to be in a straight line. When the time is up each team adds up their score.

3 or 4 letter words = 1 point

5 letter word = 2 points

6 letter word = 3 points
