BATTLE FOR KNOWLEDGE

WORKS BEST

Indoors.

NEEDS

Masking Tape

1 x Bean bag or Ball or any object that can be easily picked up.

THE GAME

Make a target on the floor out of masking tape. Divide the class into teams. Each team appoints a team leader. Throw the beanbag at the squares, aiming for the middle of the target. Once the beanbag lands, the team is asked a question. The team confers and the leader gives the answer.

If the question is answered correctly, they get a point. If they answer incorrectly, the other team has an opportunity to answer the question and steal the point. The goal of the game is to get the most points for your team.
