## CREATIVE DRAWING

### WORKS BEST

Indoors.

### NEEDS

Blind folds for every 2nd person  
1 Pencil to draw with for every 2nd person  
Paper for everyone to draw with

### THE GAME

Get everyone in pairs- one person is blind folded the other is told a picture that they have to explain to the other person how to draw while the blind fold is on. The person can't tell the person what it is but can only describe what it is.

Snow man - draw 3 circles on top of each other. Each circle gets smaller from bottom to top. In the middle circle draw three buttons going vertically down the centre. In the top circle draw two eyes, a carrot nose, and a mouth. Draw a hat on top of the smallest circle. Draw stick arms on both sides of the middle circle. Draw a broom in one stick hand. Open your eyes.

The person who draws the picture the best gets the points.
