IN THE TOMB

OUT OF THE TOMB

WORKS BEST

Allow 5 – 20 minutes for this game.

NEEDS

String or Masking tape to make a line on the ground.

THE GAME

Draw a long line using yarn or masking tape. Have the children line up in a straight line facing the leader on the right side of the line. The right side of the line is called "In the tomb" and the left side of the line is named "out of the tomb".

The leader yells "out of the tomb or in the tomb". Upon hearing the command the children jump from one side to the other. If the children jump in the wrong direction or don't jump to the other side when it's a valid command they are out of the game. The last player in wins the game. The leader will try and get the players to miss jump by pointing to one side as they yell to jump to the opposite side or by repeating the same side and/or changing the pace.
